Subject: Substitutions for AJ Majors
Attachments:

Hi All: See Margaret Dixon's message below re: acceptable substitutions for two of the COSER courses in the list of acceptable courses to complete both the Police Science and Corrections majors in AJ. Thanks to Cie-Jae for getting this on our radar. S.

Hello Steve -

I have had a chance to look over the Coser courses, and possible alternatives. Over the next year, I will be revising some of the requirements for an AA/Certificate in the Adjus program. In order to provide students with alternative options, students can do the following:

Substitute Coser 16A with *COMM 20: Interpersonal Communication Skills* or *COMM 13: Ethnic Perceptions in the Mass Media*
 **

Substitute Coser 24 with *Child Development 53: The Child, Family and the community*
 **

Right now, I do not have an alternative class for Coser 41. Hopefully the other substitutions will suffice for now.

Thank you for your assistance. Please let me know if there is anything else I can do.

Margaret

Thanks so much, Margaret, for your prompt reply and for getting back to us on this. We're just now beginning registration for S09
