#### **Counseling Updates/Accreditation**

11 Month Contracts for GC- Please sign and provide to Dean Khoo once she has sent you the final copy.

Academic Advisement- we asked Dean Khoo to be off the floor for the training by Dr. V. Will follow up with Dean and report back once she confirms.

Evaluations are due soon. Please refer to the email the Co-Chairs sent of the timeline and link for submission. If you have not sent the student evaluations in yet, you need to ASAP.

We are moving forward with the Puente position. The committee has been formed and hopefully the position will be filled by the end of semester.

Fernando will support the counseling front desk in summer. Dean Khoo will provide his schedule soon.

From Dean Khoo: For Dismissal- please double check to make sure a counselor did not submit one already for the same semester. Check ConexED notes to see if they just met with a counselor already to avoid duplicate dismissal forms and different class suggestions.

Please encourage students to RSVP to the AAPI Graduation on May 9 which is being hosted at Merritt College. Here is the link: <https://tinyurl.com/PCCDAAPIGrad2025>

- Cal-GETC goes into effect for Fall. This is for all new students that attend in Fall or who have lost catalog rights
- Dual enrolled students DO NOT have catalog rights
- Everything approved for IGETC is rolled over into Cal-GETC except Oral Communication- they have to have taken that Fall 2025 or later
- Made an attached handout for counselors with CCN numbers to give to students
