

## **10/21/24: Counseling Meeting Minutes**

Attendees: Perez, Allen, Moy, Scurry, Castro, Ross, Towle, Castaneda and Alturk

### **Counseling Updates/Accreditation**

District-wide Fall Clean Up event is underway and Merritt's day is scheduled for Friday, November 1st

Bin or banker box is being requested by counselors- co chairs will email Angela

Merritt is up 7% in FTES units for enrollment- rest of the District remained flat

### **SAS Students Course Subs for GE**

Course subs can be asked for Math GE only by SAS students

Students have to show they attempted to pass the Math class. Needs a letter from the instructor detailing what they attempted. Need to show they have met with a student. Show they have had to take exams. A Learning Disability specialist needs to write a letter of support. All documentation goes to the Math Chair to show the substitution will be approved. 80% of the course has to be completed. This is supported by the SAS Counselor only.

Grade would have to be D, F, W

This counts for local GE only. For transfer, it could be a possibility, but SAS Counselor would discuss with CSU.

Examples- English 1A, 5, COMM 45

### **IGETC - Sandi vs Charlotte**

Reminder- for degree petitions using IGETC for CSU, counselors do not have to provide documentation for LOTE. When students request that Charlotte completes an IGETC certification, the LOTE (if not done by a class) needs to be on file. However, the earlier the better, so please encourage students to submit it when you first meet with them.

Classroom Observations in progress

**College Night/ Noche de Colegio (OUSD & Charter Schools) - Jorge said these events are canceled**

**Student Services Enrollment Planning Dates:**
