Of these a minimum of 30 units of General Education/Breadth must be completed including Areas A1, A2, A3 and B4. Official transcripts of any coursework completed outside Peralta District must be on file prior or accompany the certification request. Courses taken at other California Community Colleges will be placed in the CSU-GE/Breadth Category identified by the offering college the term the course was taken. Courses taken at other colleges/universities may be used if they are equivalent to courses on Berkeley City College's CSU-GE/Breadth list. The "Request for Certification" form is available and can be filed in the Admissions and Records Office.

Certification: Berkeley City College (Peralta Community College District) can certify either full certification (completion of all requirements in each subject-area) or partial certification (completion by subject-area) of the CSU-GE/Breadth. Students should request certification when a final transcript is requested to be sent to their choice of CSU, the term prior to transfer. Once certification is completed student records (transcript) will reflect the full or partial certification of CSU-GE/Breadth Completion.
