Intersegmental General Education Transfer Curriculum (IGETC)
2007-2008 ADVISING FORM

Student's Name: _____
 Last First Student I.D. # Major

Completion of all the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from a community college to a campus in either the California State University or the University of California system without the need, after transfer, to take additional lower-division, G. E. courses to satisfy campus G.E requirements. However, completion of the IGETC is not a requirement for admission to the CSU or UC system nor is the only way to fulfill lower division G.E. requirements (see reverse side for more information about IGETC exceptions, restrictions, and certification).

⇒ **For more specific information, please see a Counselor before enrolling in these courses.**

^Indicates that transfer credit may be limited by either UC or CSU, or both.

Completion of all the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) with a grade of "C" or better will permit a student to transfer from a California community college to a campus in either the California State University (CSU) or the University of California (UC) system without the need after transfer to take additional lower-division general education courses. It should be noted that completion of the IGETC is not a requirement for admission to the CSU or UC system.

The IGETC is **not advisable** for all transfer students. The IGETC is most advantageous for transfers who have not yet decided on a major or a campus. Once a student has identified a major, it is important to give priority toward fulfilling all required major preparation courses, particularly in "high unit" majors that select applicants on the basis of satisfaction of lower division major requirements. If a student is pursuing a major that requires extensive lower-division preparation, they may be better served by taking courses which fulfill the CSU General Education/Breadth requirements or the general education of the specific UC campus or college to which they plan to transfer, examples of such majors include, but are NOT LIMITED to: Computer Science, Business, Engineering, Pre-professional schools, and Sciences. (Note: Students transferring to UC San Diego's Eleanor Roosevelt and Revelle Colleges may complete IGETC, but they must also meet specific general education requirements of those colleges).

Restrictions: A student who is initially enrolled at a UC and is returning to the same UC campus (after attending a community college) is considered a "readmit" and **cannot** use IGETC. However, students who initially enroll at a UC, attend a community college and return to a **different** UC campus, may be able to use IGETC, but should check with the campus they wish to attend. This restriction does not apply to students who have taken UC summer session or Extension classes only.

Certification: Berkeley City College (Peralta Community College District) can certify the completion of IGETC. The course requirements for all areas **MUST** be completed before IGETC can be certified. Once certification is completed student records (transcript) will reflect the certification of IGETC completion. Students should request certification when a final transcript is requested to be sent to their choice of CSU or UC, the term prior to transfer. Students who transfer without certification will have to meet the general education requirements of the specific UC or CSU to which they are transferring. This may require completion of additional courses after transfer. The "Request for Certification" form is available and can be filed in the Admissions and Records Office.

Official transcripts of any course work completed outside Peralta District must be on file prior or accompany the certification request. Courses taken at other California Community Colleges will be placed in the IGETC category identified by the offering college the term the course was taken. Courses taken at other colleges/universities may be used on IGETC if they are equivalent to courses on Berkeley City College's IGETC list. (Except for courses from other California Community Colleges' IGETC, course work from other institutions will not be used to fulfill the Critical Thinking/English Composition requirement, Area 1B).

"IGETC After Transfer": Students approaching readiness for transfer and for good cause are unable to complete one or two IGETC courses, (excluding Areas 1 and 2) as planned may be eligible to complete IGETC after transfer to CSU or UC. To be eligible, the demonstrated need of good cause must involve reasons such as illness, unavailable or canceled courses, military service or unexpected hardship, such as family or employment problems, experienced in the final term before transfer. To apply for partial IGETC certification under these circumstances, a student must file a "Request for Certification" and a "Petition for Eligibility to Complete IGETC After Transfer" with documentation to support the assertion. Forms are available and can be filed in the Admissions and Records Office.

Students are encouraged to see a Counselor by appointment to discuss transfer and the IGETC option as part of an education plan. Counselors are available by appointment through the Counseling Office.
