Intersegmental General Education Transfer Curriculum (IGETC)

The Intersegmental General Education Transfer Curriculum (IGETC) is a series of courses that prospective transfer students attending a California Community College (CCC) may complete to satisfy the lower-division general education (GE) requirements at both the University of California (UC) and the California State University (CSU). Many independent/private and even out-of-state colleges and universities also accept IGETC. IGETC is most helpful to students who know they want to transfer but have not yet decided upon a particular system (UC or CSU), institution, or major. Students intending to transfer into majors that require extensive lower-division preparation, such as engineering or the natural sciences, should concentrate on completing the prerequisites for the major while meeting minimum admission requirements; **and meet with a BCC Counselor.**

The courses on the previous page are **IGETC APPROVED FOR BERKLEY CTY COLLEGE ONLY**. Students completing courses at another California Community College, in particular College of Alameda, Laney College, or Merritt College, should carefully review course IGETC placement on www.ASSIST.org, check their college catalog, or **meet with a BCC Counselor.**

IGETC Certification

Students who have completed courses at more than one CCC should have their coursework certified by the last CCC they attended for a regular term before transfer. It is the student's responsibility to request IGETC Certification. Students can request the IGETC Certification option when ordering their transcripts in Admissions and Records at BCC. Official transcripts of any coursework completed outside the Peralta District must be on file prior to or accompany the certification request.

Partial IGETC Certification

California Community Colleges may grant partial certification of IGETC to students who are missing no more than two requirements. Students should verify that their UC school/college/major program will accept partial certification. After transfer, students submitting partial IGETC certification should complete the missing requirements at either a UC or a California Community College as designated by their department. Students who have been granted partial IGETC certification should not return to the community college for a full certification.

GE Credit by Exam

Credit may be earned for Advanced Placement (AP) exams and International Baccalaureate (IB) Higher Level exams toward IGETC. See the Berkeley City College catalog for details. Students should be aware that college courses may duplicate the content of examinations. The University may not award credit for both the course and the exam. Some UC campuses may require higher exam scores for subjects within the major. Refer to the campus regarding how AP credit is granted for each major. CLEP exams are not accepted for IGETC.

Courses Completed at Other California Community Colleges (CCC)

Courses taken at more than one CCC may be used to fulfill IGETC. Coursework may only be applied to the IGETC area for which it was approved at the community college where and when it was completed. Refer to www.ASSIST.org for a list of CCC courses that satisfy IGETC requirements.

U.S. History, Constitution, and American Ideals for CSU only

A U.S History course (HIST 7A or HIST 7B) and a U.S. Government (including California) course (POSCI 1) is required for CSU graduation. Though not required to complete IGETC, these courses may satisfy AREA 3B or AREA 4.

Ethnic Studies

The reduction of units in AREA 4 and inclusion of AREA 7 take effect for students matriculating at a California Community College beginning Fall 2023.

CERTIFICATE OF ACHIEVEMENT: IGETC for CSU (M.5900.CA) / IGETC for UC (M.5801.CA)

Students who complete the IGETC pattern and meet the residency requirement are eligible to apply for the Certificate of Achievement for IGETC for CSU or IGETC for UC from Berkeley City College. These two certificates are listed in the catalog.
