Students must earn a grade of C or higher in all course work for it to be accepted as an admissions prerequisite or upper-division general education. Also note that completion of admissions prerequisites does not guarantee admissions to KPSAHS.

This agreement will automatically renew each year. In the event of significant curriculum change at Merritt College or KPSAHS, KPSAHS staff is responsible for updating the agreement. Merritt College will notify KPSAHS of curriculum changes either through annual postings on the CIAC listserv OR by contacting the KPSAHS Articulation Officer.
