

# INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC)

## Merritt College 2011 - 2012

**CAUTION:** IGETC may not be the best option for transfer, particularly for majors such as Engineering, Computer Science, Biology, and Business. See a counselor for more information.

Completion of IGETC satisfies all lower division general education requirements at most CSU and UC campuses, and at some Independent Colleges and Universities. It is not an admission requirement nor is it the only way to fulfill lower division general education requirements.

**CERTIFICATION:** Merritt College can provide full certification (completion of requirements in every area) or partial certification (completion of requirements in one or more areas). All courses **MUST** be completed with a grade of "C" or better. Students should request G.E. certification when asking that their transcript be sent to the UC or CSU campus of their choice during the final term before transfer. *See a counselor for more information.*

**NOTE:** Courses with an (\*) are listed in more than one area but may not be counted in more than one area.
