Bachelor of Science in Business/Management (BSB/M)
Program Transfer Guide

Transfer to University of Phoenix is most efficient when an associate degree is earned – especially a transfer degree.

- *with the exception of math. Please refer to the University of Phoenix Course Transfer Guide for specific transfer credits*
- **without an associate degree**, all courses transfer which are...
 - college-level or part of an associates degree
 - and earned with a grade of C- or better
