

Merritt College

COUN 224, College Preparedness Student Learning Outcomes

<u>Outcome</u>	<u>Assessment</u>
One sentence that describes a major piece of knowledge, skill, ability, or attitude that students can demonstrate by the end of the course.	Major assignment, project, or test used to demonstrate the outcomes.
Upon successful completion of this course, students will be able to:	
1. Describe and apply essential study skills and strategies to succeed in college.	Application of college success skills such as timely completion of assignments, effective time management, note- and test-taking strategies, active reading, goal setting, and other topics contained in the course curriculum.
2. Actively participate in classroom discussions and activities related to course content.	Class presentations, group work, written assignments, asking relevant questions, and related tasks and activities.
3. Identify, access, and use educational and campus resources (individuals, programs, services, electronic and the like) to plan and pursue their academic, career, and personal goals.	Students will be complete assignments (exams, essays, presentations, etc.) demonstrating their ability to identify, access, and use resources.
4. Clearly state their academic and/or career goal(s) and record them in a Student Educational Plan (SEP).	Completion of assignment to meet with a counselor to complete and turn in a SEP.
