UC TRANSFER ADMISSION GUARANTEE (TAG)
2010-2011

Seven of the nine University of California campuses offer guaranteed admission to California community college students who meet specific requirements. By participating in a Transfer Admission Guarantee (TAG) program, students receive early review of their academic records, early admission notification, and specific guidance about major preparation and general education coursework.

The **TAG matrix** provides a list of participating campuses, eligibility criteria, and campus-specific notes.
The TAG matrix and form are available at http://uctransfer.universityofcalifornia.edu

TO APPLY FOR A TAG:

1. Fill out a **TAG form** and review it with your community college counselor and/or **submit it to TANYA ILARDE**, the UC TAG Advisor at Merritt College. **You do NOT need to schedule an appointment with Tanya.** You will receive an email notification upon review**.** (A TAG form is not required for UC Santa Barbara and UC San Diego as long as you meet TAG requirements. For UC San Diego, you must indicate TAG or IGETC certification on your UC application.)

2. When your TAG is approved, fulfill all remaining coursework and GPA requirements in your TAG agreement. *You will receive a letter and/or email notification with these requirements approximately one month after the campus receives your application. Notification may vary according to each campus.*

3. Apply for admission to UC during the appropriate filing period. Go to www.universityofcalifornia.edu/apply for filing periods and to apply.

For specific questions about TAG at a particular UC campus, contact the UC campus.
