Full timers, please block yourselves out of SARS from 8-12 to assist with transfer day activities including walking around and saying hello to the reps, thanking them and encouraging students to come to the lounge. We especially need to outreach to students who primary have classes in the A and S buildings who may not walk past the R building. If you are teaching at that time, please bring your class. If you are not teaching at that time, please give this as an extra credit assignment.</p> <p>Stefani let us know that the Veterans do not have a Vets Center nor do they have a budget or full time classified assigned to this program. Many Veterans are frustrated at the lack of resources.</p> <p>Mary reported that DSPS is applying for CE money for services. She is also on the Enrollment Management Task Force which is working to make sure that students have classes when they need them.</p> <p>2.
