

2001-2002
Program Transfer Guide
for students from
MERRITT COLLEGE
transferring to
UNIVERSITY OF PHOENIX

ASSOCIATE IN ARTS IN ECONOMICS → BACHELOR OF SCIENCE IN BUSINESS/MANAGEMENT (BSB/M)

Transfer to University of Phoenix is most efficient when an associate degree is earned – especially a transfer degree.

- **with an associate degree** – vocational or transfer – all credits within a degree transfer;
- *the IGETC or CSU gen ed core satisfies most UOPHX gen ed requirements, except math;*
 - **without an associate degree**, all courses transfer which are...
 - college-level (UC/CSU transferable)
 - and earned with a grade of C- or better
